

# LANGWARRIN CLEAN FILL SITE RESOURCECO MATERIAL SOLUTIONS

LOCATION	150 Quarry Rd, Langwarrin, Victoria
CLIENT	Hanson Sand Quarry
VOLUME	4,000,000t

ResourceCo Material Solutions have added 150 Quarry Rd, Langwarrin to its clean fill disposal solutions network to further expand operations in the Victorian market. The site offers a clean fill disposal solution conveniently located approximately 50kms south-east of Melbourne.

With a volume in excess of 4,000,000t the Langwarrin site provides a long-term solution to service clients in Victoria, a state that is experiencing a considerable civil & infrastructure growth period.

Our experienced team are providing vital site rehabilitation works to our client Hanson Quarries ensuring they comply with their site rehabilitation requirements in a safe and timely manner.

Bookings and enquiries into this site can be made by calling Stuart Marriot on 8787 8805
