ResourceCo Material Solutions signed an agreement with Qube to import 1,000,000t of material into the Moorebank Facility.

Due to the high performance demonstrated throughout the last 12 months we have been granted and extension for another 2,000,000t and an option to continue for another 2,000,000t in 2019 /20.

To date we have been imported more than 8,000t of material per day to the project.
